The moufflon, a wild sheep prized for its meat, continues to survive in the remote mountain desert of southern Libya. Only Asouf, a lone bedouin who cherishes the desert and identifies with its creatures, knows exactly where it is to be found. Now he and the moufflon together come under threat from hunters who have already slaughtered the once numerous desert gazelles. The novel combines pertinent ecological issues with a moving portrayal of traditional desert life and of the power of the human spirit to resist.

Rejected by his tribe and hunted by the kin of the man he killed, Ukhayyad and his thoroughbred camel flee across the desolate Tuareg deserts of the Sahara. Between bloody wars against the Italians in the north and famine raging in the south, Ukhayyad rides for the remote rock caves of Jebel Hasawna. There, he says farewell to the mount who has been his companion through thirst, disease, lust, and loneliness. Alone in the desert, haunted by the prophetic cave paintings of ancient hunting scenes and the cries of jinn in the night, Ukhayyad awaits the arrival of his pursuers and their insatiable hunger for blood and gold. Gold Dust is a classic story of the brotherhood between man and beast, the thread of companionship that is all the difference between life and death in the desert. It is a story of the fight to endure in a world of limitless and waterless wastes, and a parable of the struggle to survive in the most dangerous landscape of all: human society.

Meet Koni Kanawai and friends as they take on killer Tiki monsters, surf vampires, alien jewel thieves, and armies of the undead! Koni Waves: The Perfect Wave introduces private detective Koni Kanawai, an ex-cop in Honolulu, Hawaii who worked her way through college as a dancer at the Apanapana Ballroom. When a drinking problem gets her booted from the force, Koni starts her own detective agency. With the aid of Pete, her surf buddy, Krystal, a colleague from her dancing days, and Huko, the owner of her favorite watering hole, Koni encounters a series of supernatural events that leads her to discover a dark side of her island not seen in the usual tourist spots.

A poor but feisty tomboy, `Koni? Kanakchampa Paul. A fiery coach, with an eye for talent and a passion for making it shine. A championship that sets up privileged competitors against one who is constantly sidelined. The stage is set for an explosive contest. And a sport stops being just a game. In a city where sports clubs are guided by favouritsm, a coach with a dream, Kshitish Sinha, plucks Koni from a slum and trains her to swim. The spunky teenager battles her way past hardship, rivalry and humiliation to negotiate a decisive lap against all odds. If she fails, she loses everything that matters. And if she succeeds, she blazes a trail out of her sorry circumstances. For the first time in translation, this story of faith, grit and sportsmanship is a modern classic by Moti Nandy, the master teller of sports stories.

The Scarecrow is the final volume of Ibrahim al-Koni's Oasis trilogy, which chronicles the founding, flourishing, and decline of a Saharan oasis. Fittingly, this continuation of a tale of greed and corruption opens with a meeting of the conspirators who assassinated the community's leader at the end of the previous novel, The Puppet. They punished him for opposing the use of gold in business transactions□a symptom of a critical break with their nomadic past□and now they must search for a leader who shares their fetishistic love of gold. A desert retreat inspires the group to select a leader at random, but their "choice," it appears, is not entirely human. This interloper from the spirit world proves a self-righteous despot, whose intolerance of humanity presages disaster for an oasis besieged by an international alliance. Though al-Koni has repeatedly stressed that he is not a political author, readers may see parallels not only to a former Libyan ruler but to other tyrants□past and present□who appear as hollow as a scarecrow.
