Adolf Bastian mapped a program for anthropological re-search in the nineteenth century that is still accepted in the international scholarly community today. Despite this, Bastian is not widely...

Adolf Bastian and the Psychic Unity of Mankind: The ...

The psychic unity of humankind (or mankind) enters the anthropological lexicon in the work of Adolf Bastian (1826-1905). The idea itself, however, is too large to belong to any single person. An intimation that there is a " humanity " and that it is " one, " regardless of differences of caste, age, sex, or nation, is ethnographically rare but not unique.
