An updated version of D&D was released between 1977 and 1979 as Advanced Dungeons & Dragons (AD&D). The game rules were reorganized and re-codified across three hardcover rulebooks, compiled by Gary Gygax, incorporating the original D&D rules and many additions and revisions from supplements and magazine articles. The three core rulebooks were the Monster Manual (1977), the Player's Handbook ...

In the Dungeons & Dragons (D&D) fantasy role-playing game, alignment is a categorization of the ethical and moral perspective of player characters, non-player characters, and creatures.. Most versions of the game feature a system in which players make two choices for characters. One is the character's views on "law" versus "chaos", the other on "good" versus "evil".
