This series feels like something Lackey just churned out to cater to fans who clamored for more stories set in Valdemar, keep a steady income rolling in without any effort, or both. From the start it's badly misnamed, as "The Collegium Chronicles" are really about Mags rather than about the first days of the Heralds creating their school.

Mercedes Lackey: Bastion

I have read nearly every Mercedes Lackey book written, I thought after the comments readers had posted on prevoius book in The Collegium Chronicles book 4, Miss Lackey may have upped her game as book 4 was full of empty chapters, randomly selecting whole tracts of previous titles in this series, and rambling on at great length about kirball games.

Bastion is the fifth book in the Collegium Chronicles series. Mags returns to the Collegium, but there are mixed feelings--his included--about him actually remaining there. No one doubts that he is and should be a Herald, but he is afraid that his mere presence is going to incite more danger right in the heart of Valdemar. The heads of the Collegia are afraid that coming back to his known haunt is going to give him less protection than if he went into hiding.
