We bought the gruffalo sticker book and my daughter really enjoyed that one with all the pages to put the stickers on.

This book on the other hand has

ONE page to  
stick all the  
stickers on the  
rest of the  
pages has  
coloring  
activities and  
few other

to the gruffalo

this one is MUCH  
smaller and has  
fewer pages.
