[Classical Mechanics By J C Upadhyaya](#)

j c upadhyay and gupta kumar sharma classical mechanics are almost similar but special relativity is given in upadhyay in much detail, a kind of treatment to special relativity extremely easy to understand. go for it without any second thought.this book and gupta kumar sharma's classical ways builds the mathematical formulation and concepts in you to make you understand goldstein easily. it is special relativity that makes upadhyay a much better choice.
