A biography of singer Ed Sheeran details his childhood, professional history, and achievements.
Draws on exclusive interviews to profile the acclaimed music artist's life and career, discussing such topics as his Long Island suburb upbringing, entry into the 1970s music scene and relationships with his closest associates. 100,000 first printing.

The first comprehensive adult biography of the beloved, redheaded "Shape of You" songster, complete with exclusive interviews and all-new research! Grammy-award winner Ed Sheeran strikes chords in millions of listeners worldwide—a feat all the more staggering given that he couldn't even carry a tune until the age of fifteen. At thirteen, then just a guitarist in a school rock band, today's most successful solo star decided he would fly far higher than hometown fame. Within a year, he had recorded an album in his bedroom. Bestselling biographer Sean Smith traces the astonishing journey of the shy little English boy with a stammer who, avoiding flashy showmanship, grew up to become a global phenomenon. With compelling new research and interviews, Smith delivers the story of Sheeran's remarkable parents, who supported their son's dream long before it seemed achievable; the friends and mentors who encouraged his raw talent; and the lovers who inspired his most famous songs. Smith describes the setbacks Sheeran faced before his fortunes were transformed by Elton John's management company, a record deal, and a song that changed everything...with some help from Taylor Swift. Now Sheeran has sold 150 million records worldwide, earned \$432 million touring in 2018 alone, and broke records with his 2018 UK tour—but still made time to play for just 400 people at a charity night to raise money for the homeless last year. As this captivating book reveals, there's no one quite like Ed.

This is the first of two volumes that make up what is arguably the definitive Elvis biography. Rich in documentary and interview material, this volume charts Elvis' early years and his rise to fame, taking us up to his departure for Germany in 1958. Of all the biographies of Elvis - this is the one you will keep coming back to.

(Easy Guitar). A dozen songs from this contemporary British pop singing & strumming star: The A Team * All of the Stars * Don't * Give Me Love * I See Fire * I'm a Mess * Kiss Me * Lego House * Photograph * Sing * Tenerife Sea * Thinking Out Loud.

On the morning of 9 February 2014, when Sam Smith woke up and saw the four statuettes he'd taken home from the previous night's Grammy Awards Ceremony, it must have felt like a dream come true. At only twenty-two years old and coming just eight months after the US release of his debut album, In the Lonely Hour, calling Sam Smith's victory an 'overnight success story' seemed wholly appropriate.In fact, Sam had been working towards releasing his own music for over a decade and training his voice for even longer. After falling under the spell of Whitney Houston and Chaka Khan as a child, straining his voice to imitate them and match their incredible vocal ranges, tuition from a local jazz singer and time spent in a local theatre group and youth choir encouraged Sam to pursue singing as a career.But Sam's first attempts to become a professional singer floundered and left him disillusioned and jaded. By the time he turned eighteen, Sam had seen six different managers come and go, he'd recorded a whole album's worth of songs which were never released and he was beginning to think he'd never get his big break.Then in 2010, giving himself one more year to make it, Sam moved to London. After spending a year working full-time in a bar, a chance encounter with Elvin Smith, a fellow musician turned artist manager, changed Sam's life forever. In just over eighteen months, Sam's voice had featured on a number-one song and he was about to sign his own major label deal.The songs Sam wrote for his debut album would go on to capture the hearts of a massive international audience. Along the way there were celebrity friendships, number-one records, world tours and the inevitable press speculation about his personal life. In this revealing biography, Joe Allen charts the meteoric rise of Britain's singing sensation. With his multi-platinum debut barely scratching the surface of what we can expect from Sam in the future, the next decade is sure to be as eventful as the last.

A New York Times Bestseller Doug the Pug is the king of pop culture. More than seven million adoring fans on Facebook, Instagram, Twitter, and Snapchat can't get enough of him. Doug spreads love everywhere he goes, and now with his literary debut, he's coming to living rooms around the world. It's hard to find a more well-connected pup than Doug. He's homies with the hottest stars out there: Justin Bieber, Steven Tyler, Ed Sheeran, John Legend, and Chrissy Teigen, to name just a few. Did you catch him in Fall Out Boy's latest music video? Doug can ball with the best of them. He's a rising star and everyone's favorite squishy face. Doug has made appearances at music festivals including Lollapalooza and the Billboard Hot 100 Music Fest, but he doesn't let fame go to his head. Doug is a humble pug, but the people have asked for more, so he's obliged with this awesome New York Times bestselling collection of photos. Doug is a fashion icon, a culinary gourmand, a music enthusiast, and an all-around happenin' guy. This book is just a sneak peek at some of his greatest adventures so far. From his furry heart to yours, enjoy!

(Super Easy Songbook). It's super easy! This series features accessible arrangements for piano, with simple right-hand melody, letter names inside each note, basic left-hand chord diagrams, and no page turns. This edition includes 20 of Sheeran's best: The A Team * Castle on the Hill * Don't * Happier * I See Fire * Lego House * Perfect * Photograph * Shape of You * Sing * Thinking Out Loud * and more.

You may know that Jaden Smith has been following in the footsteps of his famous dad, Will Smith, ever since his breakout role in The Pursuit of Happyness. But did you know that Jaden: ? is a youth ambassador for Project Zambi, which helps orphaned kids in Africa? ? started his own clothing line that?s all about being different? ? believes in aliens? Want to know more about the life of this talented celebrity? Read on to learn all about Jaden's childhood, family, acting career, future plans, and more!

On September 11, 2001, Americans witnessed the worst tragedy our country has ever seen. The World Trade Center, in New York City, disappeared that day as terrorists flew planes into the Twin Towers killing and injuring thousands of people. Left in its place was a massive pit of rubble and death known as Ground Zero. Shortly after the attack, planning began on the rebuilding of a new World Trade Center. In addition to the new buildings, it would include a memorial for all the lives lost on that tragic day. Today, the World Trade Center rises once again above Lower Manhattan. It remains a symbol of freedom strong enough to heal and rebuild what terrorists knocked down! Photographs, facts about the attacks, sidebars with key information, and places to visit at the new center are all included in this fascinating book! This title will allow students to explain events, procedures, ideas, or concepts in a historical, scientific, or technical text, including what happened and why, based on specific information in the text.
