This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help them develop a

Read PDF Extensive Reading For Academic

positive attitude towards reading, which is sometimes missed in second language classes. The authors first examine the cognitive and affective nature of reading and then offer a wealth of practical advice for implementing extensive reading with second language learners. Suggestions are provided for integrating extensive reading

Read PDF Extensive Reading For Academic

into the curriculum, establishing a library, selecting reading materials, and keeping records for purposes of evaluation. The text also describes a wide variety of classroom activities to supplement individualized silent reading. The information will be useful both for pre-service teachers and for teachers and
