There has been an explosion of interest in paddling right across the world - in 2020, British Canoeing reported a 40% rise in members, with 19,000 signing up in a 3-month period. Much of this interest has been in inflatable kayaks, with the author's own website ([inflatablekayaksandpackrafts.com](http://inflatablekayaksandpackrafts.com)) averaging 1,000 visits a day. The comparatively low cost, the convenience of inflatable kayaks, and the fact that you can just get in and go, all add up to their appeal. And with thousands of miles of waterways in the UK, most are within reach of a river or canal where you can paddle your kayak and enjoy being in the fresh air, gently travelling through the natural world. You see the country from a different perspective and in an eco-friendly way. But, as with everything, a little bit of knowledge and technique makes the experience so much more enjoyable! That is where this book comes in. It provides a perfect introduction to the sport. It takes you through the different types of inflatable kayaks, so you buy the one that is right for you. It shows you the basic on-the-water skills that you will need, including getting in and out, how to paddle straight and turn. It outlines the gear you will need and talks about where to paddle as well as weather, safety, maintenance and repair of your equipment. It covers kayaking in rivers and canals, lakes and lochs, and coastal kayaking. All aspects are heavily illustrated with colour photographs making it easy to understand and clear to follow.

Don't get caught without a paddle... Filled with nearly 100 photos and illustrations, this must-have guide-written by the foremost paddlesports experts-gives the aspiring canoe or kayak adventurer everything he or she needs to know before taking the plunge. Inside, discover how to choose between buying a canoe or a kayak, understand paddling techniques and strokes, and find out how to plan a trip and choose an outfitter or guide.

Interest in recreational kayaking is booming! Learn paddler lingo and river etiquette, what to do when you capsized, what to buy and money saving tips on what not to buy, how to load and unload and how to lead a paddle like a pro. Written by an American Canoe Association Kayak Instructor, over one hundred pages of the basics to help get you started.

Paddle Your Own Canoe set a new standard for how-to-canoe books. In this companion title, Gary and Joanie McGuffin use the same model for the art of kayaking. The authors discuss the kayak's Inuit history, types of kayaking, recommended kayak sizes and shapes, and proper gear and clothing. They also offer expert, step-by-step instructions on all of the sport's essential techniques. Illustrated with more than 600 color photographs and illustrations, Paddle Your Own Kayak is designed for both seasoned and novice kayaker, offering guidance on: Balancing the body Strokes and maneuvers Paddling fundamentals Recoveries and rescues Carrying and launching Weather and water conditions techniques Staying centered Navigation methods. A special section on kayak camping provides good advice on what to look for in a destination, how to select a site, packing your kayak, setting up tents and shelters, meal preparation, water filtration, first aid and much more.

Written for paddlers of all skill levels, Sea Kayak Strokes is a concise and fully illustrated instructional manual detailing tips and suggestions for improving and maintaining overall paddling technique. This highly effective guide will help you paddle your kayak farther, more safely and with less effort. When you do 1,500 strokes per hour, small improvements in your technique make a big difference in your comfort, success and overall progress.

The most comprehensive guide for sea kayakers of all levels First published in 1976, The Complete Book of Sea Kayaking is a comprehensive guide for the beginner and an invaluable reference book for the experienced sea kayaker. Originally penned by the late Derek C. Hutchinson, an international authority on sea kayaking, it describes equipment, basic and advanced techniques, weather and navigation, and is illustrated throughout by the author's own drawings and color photographs. This new 40th anniversary edition has been completely updated in line with the latest sea kayaking developments by Wayne Horodowich, a longtime friend of Hutchinson's and the founder of University of Sea Kayaking.

Canoeing & Kayaking West Virginia is the definitive guide to whitewater in the Mountain State. More than 40 years after the initial printing, this book continues to bring paddlers the best of West Virginia's waters: from classics rivers, such as the Gauley, the New, and the Tygart, to steep creeks like North Fork of Blackwater and Meadow River. At-a-glance information for each river section helps boaters pick rivers to match their ability and current weather conditions, while river descriptions, gauge and shuttle route information provide additional critical information. Whether boating in kayaks, canoes, or sit-on-tops, paddlers will find more than enough rivers to fit their interest or skill level. In addition, literary anecdotes scattered throughout each book will invoke the spirit of paddling, encouraging readers' contemplation of past and future trips. Appendices include websites, gauge information, and safety information, making this book a valuable resource in planning out the next trip.

A complete beginner's guide to the sit-on-top kayak. Sit-on-top kayaking is fun and easy to learn. Anyone can do it! Paddlers, newcomers and those curious about the sport will find all the answers to their questions in this book. Using colour photos and clear descriptions, this book is the perfect introduction to sit-on-top kayaking. Choosing the right kayak, how to store and transport it, how to get the most fun out of your boat and how to stay safe whilst doing so are explored in detail. Snorkelling, fishing and scuba diving are some of the other activities that benefit from using sit-on-tops and these are also covered.

Whether you want to paddle gently through a stretch of cool pines, meander through marshland or navigate raging rapids, Paddling Northern Wisconsin will help you find the appropriate river. Every type of canoeing and kayaking opportunity is represented: quietwater, whitewater, intimate streams and wide, powerful rivers. Intended for novice, intermediate and advanced paddlers alike, this book is especially for those who love nature and scenic beauty and wish to see it preserved. You'll find: [€] Precise maps showing roads, put-ins and take-outs, significant rapids, mileage, and other information. [€] Detailed description for each trip, so you have a good idea of what you will see along the way. [€] General summaries covering camping opportunities, water levels, shuttle routes, access points, canoe rentals, and/or shuttle services (when available). [€] References to additional sources of information regarding fishing opportunities, river reading and maneuvers and special safety factors.

The Art of Kayaking is the distilled essence of a lifetime of kayak instruction at all skill levels around the world, with the added insights gained from years of designing kayaks, paddles, and kayaking equipment. This comprehensive kayaking manual by one of the biggest names in kayaking offers more essential detail about commonly used techniques than ever before published in a single volume. Color photo action sequences show how to perfect skills, and how to apply them. Maps, tables, and diagrams walk the reader through essential planning steps. No matter which type of kayak, paddle, or style of paddling the reader prefers, the appropriate techniques are described clearly and concisely. The progression through the book makes it easy to start as a beginner and to access as much information as can be tackled at any stage of development up to and including the expert. It is a definitive manual designed to stand the test of time.
