NorthStar, Fourth Edition, a five-level series, engages students through authentic and compelling content and empowers them to achieve their academic and personal goals. The approach to critical thinking in both the Reading/Writing and Listening/Speaking strands challenges students to move beyond basic comprehension to higher-level analysis. Conceptualized to promote critical thinking, NorthStar infuses analysis, synthesis, evaluation, and application throughout every lesson, not just in a critical thinking section like in other series. Components: Print or eText Student Book with MyEnglishLab -- Building on the success of previous editions, NorthStar continues to engage and motivate students through new and updated contemporary, authentic topics in a seamless integration of print and online content. eText with MyEnglishLab -- Offering maximum flexibility for different learning styles and needs, a digital version of the Student Book can be used on iPad and Android devices. MyEnglishLab: NorthStar -- Students use MyEnglishLab to access additional practice online, view videos, listen to audio selections, and receive instant feedback on their work. Teachers assign MyEnglishLab activities to reinforce the skills students learn in class and monitor progress through an online gradebook. Teacher Resource eText -- Each strand of NorthStar has an accompanying Teacher Resource eText with the following: digital Student Book, downloadable achievement tests, classroom audio, lesson planners, video activities, videoscripts, teacher's manuals, answer keys, and a downloadable placement test. Accessible through MyEnglishLab: NorthStar. Classroom Audio CD -- Listening and Speaking audio contains the recordings and activities as well as audio for the achievement tests. The Reading and Writing strand contains the readings on audio.

Northstar, now in a new edition, motivates students to succeed in their academic as well as personal language goals. For each of the five levels, the two strands - Reading and Writing and Listening and Speaking - provide a fully integrated approach for students and teachers. What is Special about the New Edition? New Themes and Updated Content - presented in a variety of genres and in authentic materials - challenge and engage students intellectually. Enhanced Focus on Academic Skills, more purposeful integration of critical thinking, and an enhanced focus on academic skills such as inferencing, synthesizing, notetaking, and test taking help students develop strategies for success in the classroom and on standardized tests. A structured approach gives students opportunities for more extended and creative oral practice, for example, presentations, simulations, debates, speeches, public service announcements and more. A New Design with full color pages, more photos, illustrations, and graphic organizers fosters student engagement and makes the content come alive. MyNorthStarLab NorthStar is now available with MyNorthStarLab - an easy-to-use, powerful online program for students and teachers that saves time and improves test scores. Students receive personalized instruction and practice in all four skills. Audio, video, and test preparation are all in one place - available anywhere, anytime. Teachers can take advantage of many resources including online assessments, a flexible gradebook, and tools for monitoring student progress. Unlimited access to reading and audio selections, DVD segments, as well as original activities that support and extend the Northstar program. Teacher's Manual A unit-by-unit guide including overviews, suggested times, step-by-step teaching suggestions, expansion and homework activities, and links to the companion strand and to MyNorthStarLab Detailed multi-level strategies and activities so instructors can reach students at different proficiency levels The Student Book Answer Key and unit word lists for easy reference Reproducible Unit Achievement Tests to save time and allow teachers to evaluate students' progress
