Public Relations Cases. This text begins with an overview of the public relations process and introduces the interactive ROPE model (Research, Objectives, Programming, Evaluation) to organize PR programs. Part Two is organized around audience-centered forms of PR, while Part Three deals with emergency public relations.

**Public Relations Cases by Jerry A. Hendrix**

The cases demonstrate the breadth of modern public relations practice and the increasing importance and sophistication of this function both in public and private sector organizations. This second edition of Public Relations Cases builds on the success of the previous edition to offer new insights into the changing face of contemporary public relations and the development of PR and communication strategies.

An editor has hit out at cuts to the justice system which he says have led to his reporters missing out on covering important cases despite being present in court. Ramzy Alwakeel, who edits the Islington Gazette, has criticised what he believes is a lack of trained staff to deal with journalists attending court.

**Court cutbacks causing reporters to miss cases, says**
