Learn how to program with Python from beginning to end. This book is for beginners who want to get up to speed quickly and become intermediate programmers fast!

Diana: Her True Story revealed how the marriage of the Prince and Princess of Wales had begun as a fairy tale romance and ended in bitterness and betrayal. This book continues the story. In 1994, two years have elapsed since the official separation. Prince Charles has admitted in a television interview that he has committed adultery and the Princess has had to rethink her role as mother of the heir to the throne and as a member of the royal family with heavy public duties.

In our first issue since #550, we serve up a fresh helping of funny for spring! Don't miss it!

They're mad, bad, and deadly between the sheets. With their devilish smiles and wicked ways, these three bad boys will make readers want to stay up all night long.

Based on more than 20 years of research data, and filled with real-life examples and specific recommendations, School Communication that Works explains what your patrons really care about (and wish you'd talk more about), what they are only somewhat interested in, and what makes them tune you out.

CD-ROM contains: printable JPEG files of all the images in the book.

The purpose of this book is to provide a comprehensive theoretical framework as well as practical strategies—not just for survival but for a true search for excellence in the uncertain and ever-changing world of customer service management. The theoretical framework is based on the notion that customer service contains three key variables: a promise, a process, and people. After going through the step-by-step process of service management, the reader will have the necessary understanding and skill to choose the right strategy for the right circumstances, to design service processes, to identify the means and methods to implement these processes, and to measure the outcome.

Toni Davidson's Scar Culture is a hugely acclaimed debut dealing with the controversial subjects of incest, child abuse and psychosexual healing. It appears destined to follow in the tradition of One Flew over the Cuckoo's Nest and The Dice Man as fiction that challenges the way we think about psychotherapy and dysfunctional sexuality. Shocking, thought-provoking, erotic, beautifully written, sharp-witted, and always riveting, Scar Culture marks the arrival of an extraordinary new voice.

Sent to live with her great-aunt, Jordan March finds a friend in the person of Alanis King, the teenage granddaughter of the rundown farm's handyman, who helps Jordan unearth more of her family's dark secrets.

Confusing Textbooks? Missed Lectures? Not Enough Time? Fortunately for you, there's Schaum's Outlines. More than 40 million students have trusted Schaum's to help them succeed in the classroom and on exams. Schaum's is the key to faster learning and higher grades in every subject. Each Outline presents all the essential course information in an easy-to-follow, topic-by-topic format. You also get hundreds of examples, solved problems, and practice exercises to test your skills. This Schaum's Outline gives you Practice problems with full explanations that reinforce knowledge Coverage of the most up-to-date developments in your course field In-depth review of practices and applications Fully compatible with your classroom text, Schaum's highlights all the important facts you need to know. Use Schaum's to shorten your study time-and get your best test scores! Schaum's Outlines-Problem Solved.
