So Easy to Preserve

With its single color printing and chunky plastic binding, So Easy To Preserve may not be a trendy or glamorous book, but I'd argue it's an essential one. I reach for it constantly, trusting it as my go-to reference for canning, pickling, freezing, and drying food. • Who wrote it: Fifth edition revised by Elizabeth L. Andress, Ph.D., and Judy A. Harrison, Ph.D.

So Easy to Preserve by University of Georgia ... - Goodreads

So Easy to Preserve just happens to also be So Easy to Use, with its spiral binding and wipe-clean cover. The generous-sized typeface is a pleasure to read, and the purplish-brown print on beige quality paper is very easy on tired eyes. The book lays out flat on a counter, and thanks to the spiral binding, stays effortlessly open to the pages you are working from. The only other canning book ...

With simple step-by-step instructions and 175 delicious recipes, this book will have even the timidest beginners filling pantries and freezers in no time! Put 'em Up! includes complete how-to information for every kind of preserving: refrigerating, freezing, air- and oven-drying, cold- and hot-pack canning, and pickling. Sherri Brooks Vinton includes recipes that range from the contemporary and daring – Wasabi Beans and Salsa Verde – to the very best versions of tried-and-true favorites, including Classic Crock Pickles and Orange Marmalade.

A sumptuously illustrated reference for home cooks and preserving enthusiasts provides more than 100 seasonally organized recipes for options ranging from sweet preserves and savory pickles to produce and condiments, sharing related information about safety, nutrition and American preserving traditions.

Can it, pickle it, and store it with confidence. If you can boil water, you can make your own delectable jams and jellies, try your hand at fresh-pack pickling, and jar savory sauces. *Ball Canning Back to Basics* focuses on the building-block techniques and easy, classic recipes every canner should know. The book begins with in-depth information on water bath canning, the equipment you need, and food safety guidance. Each preserving method is thoroughly explained with beginner-friendly tutorials and step-by-step photographs highlighting key steps. Learn to capture the sweet, ripe flavors of your favorite fruits and vegetables with 100 approachable, versatile recipes for the modern pantry. Packed with simple variation ideas for low-sugar and flavor change-ups, and time-tested tips from the most trusted authority in home canning, this handy guide delivers everything you need to successfully master home canning safely and deliciously.

Provides directions for preserving fruit, vegetables, and meat using the methods of pickling, freezing, bottling, drying, salting, and curing.

Describes the equipment and techniques for preserving fruits, vegetables, and meats and offers recipes for using them

Encompassing four hundred delicious recipes, a comprehensive guide to home preserves features a wide array of salsas, savory sauces, chutneys, pickles, relishes, jams, jellies, fruit spreads, and more, along with complete instructions for safe canning and preserving methods, lists of essential equipment and kitchen utensils, and handy cooking tips. Simultaneous.

Practical, easy-to-follow guide tells how to select, prepare, and can fruits, vegetables, poultry, red meats, and seafoods; how to preserve fruit spreads, fermented foods, and pickled vegetables; and much more.
