Soulpancake: Chew on Life's Big Questions by Wilson, Rainn ... Nearly 3 years ago, in March of 2011, Rainn Wilson visited USC to discuss his book Soulpancake: Chew On Life ' s Big Questions. I was then an undergraduate student at USC who didn ' t usually attend events like this, but it was near my birthday and I felt adventurous. As an atheist who had been turned off by most religious persons I was not expecting to like Mr. Wilson as much as I did.

CAN MEN AND WOMEN REALLY BE " JUST FRIENDS? IF YOU ONLY HAD ONE HOUR LEFT TO LIVE, HOW WOULD YOU SPEND IT? WHAT PARALYZES YOUR CREATIVITY? WHAT FUELS IT? Somewhere over the course of history, chewing on Life ' s Big Questions lost its cool factor. Fortunately for mankind, Rainn Wilson (best known for playing Dwight Schrute on NBC's The Office) and a bunch of his friends are on a mission to change that. Based on the wildly successful website SoulPancake.com, this book urges you to explore philosophy, creativity, spirituality, love, truth, science, and so much more. With bold questions, intriguing challenges, and mind-bending art, Soul Pancake creates a space for you to stimulate your brain stem, spark your soul, and figure out what it means to be human. CRAMMED INSIDE: + A revealing Introduction by Rainn Wilson + 180 Life's Big Questions (the ones that gnaw at your innards) + Visual masterpieces from 90+ artists + Unusual activities that launch you into the world + Exclusive commentary from the fascinating minds of: Amy Sedaris, David Lynch, Heather Armstrong (Dooce.com), Dr. Drew, Jesse Dylan, Justin Vernon (Bon Iver), Harold Ramis, Josh Ritter, and Saul Williams.

For nine seasons Rainn Wilson played Dwight Schrute in The The Office. Viewers fell in love with the character and grew to love the actor who played him even more. In The Bassoon King, he tells his own story and explains how he came up with his incredibly unique sense of humor and perspective on life. The book chronicles his journey from super-nerddom to drama, his years of mild debauchery and struggles as a young actor in New York, his many adventures, and insights about The Office which fans of both Wilson and the show will love.

Presents a collection of questions to help readers determine where they are in their life and career, formulate goals, and how to achieve them, along with questions and answers from a variety of writers, musicians, and artists that they were asked on their way to success.

How Wideouts Became the NFL's Standouts From the time Cris Carter started his career as a supplemental draft pick of the Philadelphia Eagles in 1987 to his retirement in 2002, the position of wide receiver exploded in the NFL. Receivers went from being quiet and classy to being known for their electric play, off-the-field antics, and--in some cases--over-the-top personalities. In Going Deep, Carter and ESPN journalist Jeffri Chadia chronicle the rise of the wide receiver and explain how it became the most complex, compelling, and talked-about position in all of professional sports. Using stories from his own career to offer unprecedented insight into the position, Carter explains the players' unique personalities, how their minds work, and why teams need to understand exactly what they're dealing with when it comes to their wideouts--the NFL's newest superstars. Told through Carter's opinionated voice, Going Deep covers all the important moments and people--from Michael Irvin, Jerry Rice, and Keyshawn Johnson to Randy Moss, Terrell Owens, and Chad Johnson--who have contributed to this revolution. He also tells stories readers have never heard about their favorite players, shares theories about the position that only get discussed in front offices and locker rooms, and offers revealing explanations on what these players mean to the league today, as well as why the NFL can't go forward without them. "One of the most riveting, insightful football books I've ever read." This book takes you inside the huddle, along the sidelines, and deep into the secret world that is the NFL. "Breath-taking work." --Jeff Pearlman, New York Times bestselling author of Boys Will Be Boys and The Bad Guys Won "No one understands wide receivers better than Cris Carter, and I loved his book. If you want to understand how we think, and hear inside stories about the most over-the-top athletes in sports, read Going Deep." --Jerry Rice, Hall of Fame wide receiver "I am so glad someone got Cris Carter to sit down and describe what makes receivers tick. (It's deeper than you think.) You'll get to the last page of this book and say, 'I really learned a lot here--and the pages flew by.'"--Peter King, senior writer, Sports Illustrated; author of Monday Morning Quarterback; and two-time National Sportswriter of the Year

Using the metaphor of the heroic journeydeparture, struggle and returnthe author shows readers the way to psychological and spiritual health.

Explains how women can break free from the dumbed-down culture of reality TV and celebrity obsession and instead learn to think for themselves and live an intellectual life.

What Room Are You In? Ask any woman how she's feeling. Even when things look pretty darn great from the outside, chances are that at least one thing (and it may seem minor to others) is nagging at her, making her feel less than spectacular, bringing her down: I'm too fat. My husband doesn't help enough around the house. My friend is going to be mad if I don't call her back. Why don't my kids try harder at school? My job is less than inspiring. Whatever happened to that old boyfriend, the one who got away? Whether it's the size of our thighs or our bank accounts, there always seems to be something that isn't measuring up to our high standards--and we let the dissatisfaction spill over into other areas of our lives, distracting us from taking pleasure in everything that's going right. In The Nine Rooms of Happiness, Lucy Danziger, editor in chief of Self magazine, and women's-health psychiatrist Catherine Birndorf use the metaphor of a house to release us from this phenomenon. In this house, the living room is where we deal with friendships and our social life; the bedroom is where we explore intimacy, romance, relationships, and sex; the bathroom is for issues relating to health and body image; the kitchen is for nourishment and the division of chores; and so on. Our "inner house" can have eight beautifully designed, neat and tidy rooms, and one messy one, and still we focus on the mess. The Nine Rooms of Happiness pinpoints common self-destructive patterns of behavior and offers key processes that will help readers clean up their emotional architecture. After each room is "clean," Danziger and Birndorf show us how we can spend time on ourselves figuring out what is most meaningful to us--finding larger passion and purpose that makes returning to the rest of our house a pleasure, no matter what calamity or mess awaits. The result? After reading this book you'll think differently about the things that are bringing you down and be able to live a happier, more joy filled life, in every room of your emotional house. From the outside, you'd think I have it all: beautiful house, wonderful children, devoted husband. But am I happy? I think so. There's nothing that has gone terribly wrong. There's no reason for me not to be happy. But I don't feel happy so much as I feel I'm just going through the motions. Sometimes I have the feeling that there's more and I just haven't found it yet. But what . . . and how dare I want more? Isn't all that I have enough? --from The Nine Rooms of Happiness

What if practical inspiration could be as simple as an eye-opening, heartfelt song? From Grammy-winning star performer, husband, and father, Tim McGraw, comes a beautiful keepsake book, inspired by his uplifting hit, "Humble and Kind." Humble and Kind is the keepsake hardcover volume that combines the emotional power of Tim McGraw's uplifting #1 single and video "Humble and Kind" to elegant line illustrations in a gift book for all seasons. Inspired by McGraw's own life experience as his eldest child embarked on her college career, every parent and graduate can relate to Humble and Kind; with tender clarity, the words reinforce lessons for mindful, compassionate living. The song's pure poetry not only propelled the single up the charts, but its accompanying video-gorgeously produced with images courtesy of Oprah Winfrey's documentary "Belief" -has been viewed by tens of millions since its release, and inspired a community movement at stahumbleandkind.com. Featuring an introduction from McGraw and an epilogue by the songwriter Lori McKenna, Humble and Kind is a deeply affecting call to action, and the perfect memento for millions of graduates, parents, and children across the continent.

"Based on the highly acclaimed NPR podcast, How I Built This with Guy Raz, this book offers priceless insights and inspiration from the world's top entrepreneurs on how to start, launch, and build a successful venture" --

From America's most beloved comedic actress and the star of Desperate Housewives comes a personal, heartfelt, and often very funny manifesto on life, love, and the lessons we all need to learn -- and unlearn -- on the road to happiness Teri Hatcher secured her place in America's heart when she stood up to accept her Golden Globe for Best Actress and declared herself a "has-been" on national television. That moment showcased her down-to-earth, self-deprecating style -- and her frank openness about the ups and downs she's experienced in life and work. But what the world might not have seen that night is that Teri's self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle -- life, love, bake sale cookies, and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday (like the importance of letting your daughter spill her macaroni so she knows it's okay to make mistakes) to the rare (a rendezvous with a humpback whale -- and no, he was not a suitor), the message at the heart of Burnt Toast -- that happiness and success are choices that we owe it to ourselves to make -- is sure to resonate with women everywhere.
