Patrick White is king of his created world, but at the price of keeping it without spontaneity." - Martha Duffy, Time "Patrick White's incandescent conviction has here paled into a kind of Prizewinner's Baroque. (...) I never believed in The Eye of the Storm for more than a few sentences at a time. The magic is fatally flawed by both slickness and indecision, and out of its light-fingered collapse there rises a Johnsonian world of the daft and the greedy, ruled by cruelty, stupidity, and hate."

A savage exploration of family relationships from the Nobel Prize-winning Patrick White Elizabeth Hunter, an ex-socialite in her eighties, has a mystical experience during a summer storm in Sydney which transforms all her relationships- her existence becomes charged with a meaning which communicates itself to those around her. From this simple scenario Patrick White unfurls a monumental exploration of the tides of love and hate, comedy and tragedy, impotence and longing that fester within family relationships. In the Sydney suburb of Centennial Park, three nurses, a housekeeper and a solicitor attend to Elizabeth as her son and daughter convene at her deathbed. But, in death as in life, Elizabeth remains a destructive force on those who surround her. The Eye of The Stormis a savage exploration of family relationships - and the sharp undercurrents of love and hate, comedy and tragedy, which define them.

In White's 1973 classic, terrifying matriarch Elizabeth Hunter is facing death while her impatient childrenSir Basil, the celebrated actor, and Princess de Lascabane, an adoptive French aristocratwait. It is the dying mother who will command attention, and who in the midst of disaster will look into the eye of the storm. "An antipodean King Lear writ gentle and tragicomic, almost Chekhovian . . . The Eye of the Storm [is] an intensely dramatic masterpiece" (The Australian).

White was awarded the Nobel Prize for Literature in 1973.

Patrick White's brilliant 1961 novel, set in an Australian suburb, intertwines four deeply different lives. An Aborigine artist, a Holocaust survivor, a beatific washerwoman, and a childlike heirsch are each blessedand strickenwith visionary experiences that may or may not allow them to transcend the machinations of their fellow men. Tender and lacerating, pure and profane, subtle and sweeping, Riders in the Chariot is one of the Nobel Prize winner's boldest books.

Join J. M. Coetzee and Thomas Keneally in rediscovering Nobel Laureate Patrick White Hurtle Duffield, a painter, coldly dissects the weaknesses of any and all who enter his circle. His sister's deformity, a grocer's moonlight indiscretion, the passionate illusions of the women who love him-all are used as fodder for his art. It is only when Hurtle meets an egocentric adolescent whom he sees as his spiritual child does he experience a deeper, more treacherous emotion in this tour de force of sexual and psychological menace that sheds brutally honest light on the creative experience. "Indisputably one of the century's greatest writers." Annie Proulx "The Hanging Garden is a novel for our time--a story about parentless children, mistreated by a world that, by its lights, intends no harm but nonetheless does enduring damage." The New York Times Book Review (cover review, 05/26/13) From the Nobel Prize-winning author of The Eye of the Storm comes a vivid, visceral tale of childhood friendship and sexual awakening from beyond the echoes of World War II. Sydney, Australia, 1942. Two children, on the cusp of adolescence, have been spirited away from the war in Europe and given shelter in a house on Neutral Bay, taken in by the charity of an old widow who wants little to do with them. The boy, Gilbert, has escaped the Blitz. The girl, Eirene, lost her father in a Greek prison. Left to their own devices, the children forge a friendship of startling honesty, forming a bond of uncommon complexity that they sense will shape their destinies for years to come. Patrick White's posthumously discovered novel, The Hanging Garden, which represents the first part of what was intended to be his final masterpiece, is a breathtaking and important literary event. Seamlessly shifting among points of view, and written in dazzling prose, Patrick White's mastery of style and highly inventive storytelling will transport you as the work of few writers can.

Bataille's first novel, published under the pseudonym Lord Auchl, is still his most notorious work. In this explicit pornographic fantasy, the young male narrator and his lovers Simone and Marcelle embark on a sexual quest involving sadism, torture, orgies, madness and defilement, culminating in a final act of transgression. Shocking and sacrilegious, Story of the Eye is the fullest expression of Bataille's obsession with the closeness of sex, violence and death. Yet it is also hallucinogenic in its power, and is one of the erotic classics of the twentieth century.
