I wanted it on the cover because The Pearl Diver is about a missing Japanese marine diver and the restaurant world, specifically a made-up Washington DC hotspot called Bento, which is on the same level as the smashing venues of Ten Penh, Poste, Caf  Milano, Nora, DC Coast, Zaytinya, and Burma... the list could go on endlessly, because Washington has become a very good restaurant town, especially in the section called Penn Quarter.

The Pearl Diver: Massey, Sujata: Amazon.com.mx: Libro

Sujata Massey develops some of the most interesting and complex mystery plots I've ever encountered. She obviously loves Japan, the Japanese culture, and the Japanese people. Although I thought I knew a lot about Japan and its people I learned a lot more from Ms. Massey's series. These are books are well researched and well written.

The Pearl Diver (Massey, Sujata) by — Amazon.ae

Sujata Massey was a reporter for the Baltimore Evening Sun and spent several years in Japan teaching English and studying Japanese. She is the author of The Salaryman's Wife, Zen Attitude, The Flower Master, The Floating Girl, The Bride's Kimono, The Samurai's Daughter, The Pearl Diver, and The Typhoon Lover. She lives in Minneapolis.

The Pearl Diver: A Novel (The Rei Shimura Series) | Massey ---

The Pearl Diver by Sujata Massey is the 7th mystery novel in the The Rei Shimura Series. I enjoyed the premise behind this mystery novel and the happy ending for this novel. The writing is done well enough by the author.

Captivated Reader: The Pearl Diver by Sujata Massey

Sujata Massey was a reporter for the Baltimore Evening Sun and spent several years in Japan teaching English and studying Japanese. She is the author of The Salaryman's Wife, Zen Attitude, The Flower Master, The Floating Girl, The Bride's Kimono, The Samurai's Daughter, The Pearl Diver, and The Typhoon Lover. She lives in Minneapolis.

The seventh book in Sujata Massey's Agatha and Macavity Award-winning mystery series is a witty, suspenseful story that takes its young sleuth into the Washington DC restaurant world. A dazzling engagement ring and the promise of a fresh start bring antiques dealer and sometime sleuth Rei Shimura to Washington, DC. But just as she's starting to settle down --catching up with a long-lost cousin and undertaking a lucrative commission furnishing a trendy Japanese restaurant nearby -- things begin to go haywire. First, her cousin vanishes from the restaurant's opening-night party, and then Rei is drafted to help find a Japanese war bride who disappeared 30 years earlier. The search for both missing women becomes suspiciously linked, and along the way, Rei faces truths about herself that may change her destiny -- if she lives long enough.

A dazzling engagement ring and the promise of a fresh start in a new country bring antiques dealer and sometime-sleuth Rei Shimura to Washington, D.C. But while she tries to play catch-up with her beautiful, politically connected cousin, Kendall, and is commissioned to furnish a chic Japanese-fusion restaurant, things start to go haywire. First, Kendall vanishes from the restaurant's opening-night party, and then Rei is drafted to help Andrea, the restaurant's elegant, cagey hostess, investigate the disappearance of her own Japanese mother thirty years earlier. As the strands of these puzzles begin to come together, Rei finds that her relationship with her fianc , Hugh, has changed from sizzle to burn. At the same time, she faces troubling questions about what it means to be a loving mother -- and whether her own independent streak will endanger the women to whom she has grown close. Rei must research the scary old days of the Vietnam War and delve into the secret history of an ambitious presidential candidate to piece together the mystery of the vanished women -- and also understand truths about herself, which may change her destiny. In *The Pearl Diver*, Sujata Massey delivers a multilayered, suspenseful story complete with the intrigue, romance, and rich Asian cultural background that her fans have come to relish.

Life in modern Tokyo is a blast for Rei Shimura, a young Japanese-American woman who enjoys busy days as an antiques dealer and steamy nights with a devoted new boyfriend. But things come to a standstill when Rei overpays for a rare old chest of drawers for a wealthy client, the owner of a famous Zen temple in Kamakura. The exquisite tansu turns out to be a fake: the worst deal Rei has ever made. When the temple family turns on Rei -- and the con man who sold the tansu is murdered -- she realizes she's opened a Pandora's box of deception and murder. A young martial artist, an aspiring rock singer, and an elderly antiques mentor all become part of Rei's search for the killer through the shadows of an ancient culture. As her world begins to rapidly and inexplicably unravel, Rei realizes that it will take strength, wit, and a Zen attitude to survive.

A new crime-thriller full of suspense from Sujata Massey, the acclaimed author of *The Bride's Kimono* and *The Floating Girl*. Antiques dealer Rei Shimura is in San Francisco visiting her parents and researching a personal project tracing the story of 100 years of Japanese decorative arts through her own family's experience. Her work is interrupted by the arrival of her boyfriend, lawyer Hugh Glendinning, who is involved in a class action lawsuit on behalf of aged Asian nationals forced to engage in slave labour for Japanese companies during World War II. These two projects suddenly intertwine when one of Hugh's clients is murdered and Rei begins to uncover unsavory facts about her own family's actions during the war. Rei unravels the truth, finds the killer, and at the same time learns about family ties and loyalty and the universal desire to avoid blame.

Winner of the Agatha Award. "Sujata Massey blasts her way into fiction with *The Salaryman's Wife*, a cross-cultural mystery of manners with a decidedly sexy edge."-- Janet Evanovich Japanese-American Rei Shimura is a 27-year-old English teacher living in one of Tokyo's seediest neighborhoods. She doesn't make much money, but she wouldn't go back home to California even if she had a free ticket (which, thanks to her parents, she does.) She's determined to make it on her own. Her independence is threatened however, when a getaway to an ancient castle town is marred by murder. Rei is the first to find the beautiful wife of a high-powered businessman, dead in the snow. Taking charge, as usual, Rei searches for clues by crashing a funeral, posing as a bar-girl, and somehow ending up pursued by police and paparazzi alike. In the meantime, she attempts to piece together a strange, ever-changing puzzle--one that is built on lies and held together by years of sex and deception. The first installment in the Rei Shimura series, *The Salaryman's Wife* is a riveting tale of death, love, and sex, told in a unique cross-cultural voice.

Chronically underemployed Japanese-American sleuth Rei Shimura has taken a freelance gig with a Washington, D.C., alphabet agency that just might have ties to the CIA. Her mission, should she choose to accept it, is to go undercover as a clerk in a big Tokyo department store. It's a risky assignment, but it also gives Rei a store discount that allows her to freely indulge her shopaholic tendencies. Meanwhile, she's listening in on private conversations, crashing a conference, and fending off the unwanted advances of a couple of the store's executives who seem fascinated by her navel ring. When her cover is blown, Rei is in big trouble. Suddenly she's neck-deep in something very nasty, and it will take all her resourcefulness and unorthodox methods to survive a determined killer.

The highly anticipated follow-up to the critically acclaimed novel *The Widows of Malabar Hill*. India, 1922: It is rainy season in the lush, remote Sahyadri mountains, where the princely state of Satapur is tucked away. A curse seems to have fallen upon Satapur's royal family, whose maharaja died of a sudden illness shortly before his teenage son was struck down in a tragic hunting accident. The state is now ruled by an agent of the British Raj on behalf of Satapur's two maharanis, the dowager queen and her daughter-in-law. The royal ladies are in a dispute over the education of the young crown prince, and a lawyer's counsel is required. However, the maharanis live in purdah and do not speak to men. Just one person can help them: Perveen Mistry, Bombay's only female lawyer. Perveen is determined to bring peace to the royal house and make a sound recommendation for the young prince's future, but she arrives to find that the Satapur palace is full of cold-blooded power plays and ancient vendettas. Too late, she realizes she has walked into a trap. But whose? And how can she protect the royal children from the palace's deadly curse?

A young woman with a foothold in two cultures, Rei Shimura has gone wherever fortune and her unruly passions have led her throughout her chaotic twenties. Now, after the streamers for her thirtieth birthday celebration have been taken down, the Japanese-American antiques dealer and part-time sleuth finds herself with an assignment to find and authenticate an ancient Middle Eastern pitcher that disappeared from Iraq's national museum. The piece is believed to be in the hands of a wealthy Japanese collector, whose passion for beauty extends to Rei herself. But when a devastating typhoon hits Tokyo, Rei is trapped with the object of her investigation--and with much much more than the fate of an ancient pitcher at risk.

In 1948, a nineteen-year-old pearl diver's dreams of spending her life combing the waters of Japan's Inland Sea are shattered when she discovers she has leprosy. By law, she is exiled to an island leprosarium, where she is stripped of her dignity and instructed to forget her past. Her name is erased from her family records, and she is forced to select a new one. To the two thousand patients on the island of Nagashima, she becomes Miss Fuji. Although drugs arrest the course of Miss Fuji's disease, she cannot leave the colony. Instead, she becomes a caretaker to the other patients, and through the example of their courage, she gains insight into the deep wellspring of strength she will need to reclaim her freedom. Written with precision and eloquence, *The Pearl Diver* is a dazzling meditation on isolation and community, cruelty and compassion.

Antiques dealer Rei Shimura has managed to snag one of the most lucrative and prestigious jobs of her career: a renowned museum in Washington, D.C., has invited her to exhibit her kimonos and give a lecture on them. Accompanied by a gaggle of Japanese office ladies bent on a week of shopping, Rei lands in the capital. But her big break could ultimately break her. Within hours one of the kimonos is stolen, and then Rei's passport is discovered in a shopping mall dumpster--on the dead body of one of the Japanese tourists. Trouble is only beginning, though, for now Rei's parents have arrived and so has her ex-boyfriend. To track down the kimono and unmask a killer, Rei's got to do some clever juggling, fast talking, and quick sleuthing, or this trip home could be her last.
